# ENVIRONMENTAL SUSTAINABILITY STRATEGY

At The Island Hotel we look after our planet, just like we look after our guests  
- with great care.

Along with our commitment to comply with environmental, public and  
occupational health and safety, hygiene and employment legislation, we  
strive to continually improve our environmental performance.

## SUSTAINABILITY STRATEGY

The Island Hotel has developed a strategy to ensure that our environmental  
responsibilities are engrained in our business actions. Our Sustainability  
Strategy is underpinned by four pillars:

- Our clients; We will relentlessly strive to exceed our guests' expectations by delivering exceptional service in a modern, clean and warm environment
- Our team; Our people are key to us. As such, we treat our people fairly and with respect while valuing their diversity. We are committed to creating a workplace that makes people want to join, stay and work to their full potential.

Our people's safety and wellbeing is our priority.

- Our environment; We will try to protect the environment by better understanding, measuring and reducing our environmental footprint, while balancing the growth of our operation.
- Our community; We recognize the environment, social and economic needs of the communities we work in and endeavour to be a good neighbor.

Steps taken toward the execution of The Island Hotel Sustainability Strategy  
include:

Recycling paper, glass, plastic, batteries, fluorescent and long life bulbs, cans  
and cartridges. Reducing our usage of harmful cleaning chemicals and  
replacing these with ecofriendly products wherever possible.

Encouraging our guests to explore the local attractions by public transport or  
on foot by providing information on walks and bus timetables at the  
Reception.

Use of low energy light bulbs in public areas, use of automatic lighting systems  
and use of central solar water heating systems.

Monitor our energy consumption of gas, electricity and water.

Use of organic produce, seasonal vegetables and local produce.

Use of local suppliers where possible and employment of local staff  
Get involved in local community projects.

Providing a safe and healthy working environment that supports individual  
development, teamworking, positive work-life balance, and job satisfaction

### **Green Policy for our Guests**

We would like to enlist the help of our guests in achieving our aims by asking them to:

- Take their keycard with them when leaving the room, which will reduce the use of electricity.
- Towel and linen policy. Our policy is to ensure that guests have a comfortable stay. Therefore sheets will be changed on every third day and towels will be changed, when they are left in the bathtub.

The Island Hotel is dedicated to balancing our commitment to our Green Policy without compromising on the comfort, standards and enjoyment of our guests.

**Thank you for your understanding and cooperation in our efforts to help protect our planet!**
